

## Here is our menu.

We aim to grow and produce as much of the ingredients as possible ourselves, here at South Gundenham Farm. However, for those ingredients that we don't produce ourselves, we source from other small, local producers.

All the marinades, rubs, sauces, salads and breads are made here at the Farm by myself and John.

All the BBQ meats are ready for you to cook yourself on the BBQ along with the vegetarian burgers. The griddled vegetable and feta dish is pre-cooked ready for you to reheat on the BBQ and sprinkle with Feta.

All of the BBQ meats take between 10 and 15 minutes to cook apart from the butterflied leg of lamb, which takes around 40 to 45 minutes - it is advisable to cook this on the Gas BBQ for consistency of temperature.

Please place orders at least 3 working days before you require the products by emailing [katie@southgundenhamfarm.co.uk](mailto:katie@southgundenhamfarm.co.uk)
